*I wonder what
it would be like
to not worry
so much...*

I can't help but worry about my Mom being home alone. I want her to enjoy her senior years — but how will we find the "right" community for her — after all she's very particular, you know!

We chose the comforts of home...

We felt a warm, welcoming feeling the moment we entered Brandywine. Sure it was beautiful...but the people we met and friendly staff are what made it so inviting.

We chose for her to be safe...

Some days are a little harder for Mom than others and it is comforting to know that she has the support of the wonderful Brandywine staff when she needs them, including nurses on-site, not on call, 24 hours a day.

We chose her happiness...

Now she has something to look forward to everyday Brandywine offers so many activities that interest her.. from local outings to crafts and movie nights... she's even started to dance again and she hadn't danced in years.

There are so many good choices available — but there is only one great one...

Choose Brandywine!
