Dear Member:

This will introduce Pre-Paid Legal Services representatives Jim Lee and Mike Schwartz , members of the Rehoboth Beach-Dewey Beach Chamber of Commerce, and their strategic partner, Kroll Background America.

This program has the potential to minimize risk and liability when considering the following points:

- Identity theft in the workplace is a major concern for all businesses
- Laws now require that reasonable steps are taken to protect non-public information
- Employees must be educated and informed regularly
- Employees should have access to legal assistance and identity theft benefits
- Privacy breaches create a significant risk of litigation

We have asked Jim/Mike to contact you regarding the Affirmative Defense Response System (ADRS) offered by Pre-Paid Legal Services. As a Chamber member, ADRS can be implemented at your business *at no cost to you*. Jim/Mike can meet with you and show you the details about ADRS – including a written security policy, employee training and voluntary benefit plans.

The RBDBCC has partnered with Jim Lee/Mike Schwartz and their certified staff with a program we consider to be of value to our members, and we have asked them to contact you regarding your interest. Jim Lee can be reached at 302-265-7737 (cell), 302-945-0135 (office) or jlee49@prepaidlegal.com. Mike Schwartz can be reached at 302-275-8898 (cell), 302-328-8768 (office/fax) or mssrvp@comcast.net.

Should you have any questions, please do not hesitate to give me a call – 302-542-7547 (cell) or 302-227-6446 (office).

Sincerely,

Carol A. Everhart
President/CEO
