

The Cinema Art Theater will re-open on June 5, 2020.

Like many other businesses, the Rehoboth Beach Film Society needs to make sure that our customers feel safe in our venue, and we also need to generate revenue to financially survive.

We recognize that each person needs to make an individual decision regarding his/her comfort level with participating in activities outside one's home during this challenging period. The Rehoboth Beach Film Society wants every customer to know that we are doing the most we can to provide safety and comfort for our patrons and we ask you to assist with these efforts while enjoying quality films:

1. All patrons, staff and volunteers are required to wear masks while in the Cinema Art Theater.
2. When entering the venue, please observe the blue tape markers for 6' safe distancing to the ticket sales counter.
3. Please follow the designated entrance path when arriving and the designated exit path when leaving.
4. A plexiglass screen barrier has been installed at the ticket sales area for staff, volunteer, and patron protection.
5. Hand sanitizer at the ticket sales counter is available to use.
6. We encourage patrons to purchase their tickets in advance online if possible.

7. For the month of June, only bottled water will be available to purchase, no soda.
8. All of our candy and food are in sealed packaging and will be available for purchase. Our volunteers will wear disposable gloves while handling concessions.
9. Only 25 seats in the Main Theater will be available for admission for every screening. Only 9 seats in the JEMS Theater will be available for purchase for every screening.
10. To ensure safe social distancing, a seating plan has been marked with seats that are not available to use.
11. Air circulation in the theaters will be running continuously while films are showing.
12. Paper towels have been installed in restrooms.
13. Frequently touched contact points, including seats, door handles, railings, faucets, etc) will be cleaned before and after each screening.

The above mentioned practices will enable all to enjoy independent films comfortably and as safe as possible. Again, welcome back and thank you in advance for your support. On Thursday morning you will receive an email with the upcoming film schedule. Some films will continue to be available by streaming.
