Historic Lewes Farmers Market to Reschedule Farmraiser Fundraising Event

Due to the Coronavirus State of Emergency in Delaware, the Historic Lewes Farmers Market (HLFM) announced it will reschedule its Farmraiser fundraising event that was originally scheduled for March 28, 2020. The event will be rescheduled from March 28 to a date in late Summer to Fall. At this time, ticket holders will receive a refund. When the date is rescheduled, the HLFM will sell tickets for the new date.

This fundraising event brings in more than 30% of the revenue needed each year to run the Market. The Market and the Farmraiser committee hopes that the community will continue to support the Market, and attend the Farmraiser when it is rescheduled. The HLFM is celebrating its 15th year this season as the best producer-only market in the Delmarva—a market truly rooted in community.
