### Important Announcement

After careful consideration, our team at Lefty's has decided to temporarily close to the public beginning at 8PM tonight until further notice. Simply put, we feel it's in best interest of overall community, as well as our team, to assist with minimizing the overall spread.

While we have opted not to offer take out, please support those establishments that do. The local restaurant industry is a critical component of our community. Let's all support each other and get through this together. We look forward to celebrating with you when we do.
