Thank you for your interest in Minh's Bistro!

I am pleased to be able to introduce authentic Vietnamese culture and cuisine to my friends and neighbors in the Delmarva community. I hope to share a bit of my homeland, its customs, and charm with all who visit.

Born in Saigon at the height of the Vietnam War, I immigrated to the United States at age 20 and studied electrical engineering — which became the focus of my career for the next 28 years.

Now, through Minh's Bistro and with the support of my wife and daughter, I am able to fulfill a lifelong dream of both entrepreneurship and giving back to the country that so generously sponsored me over three decades ago.

I do hope you'll come in to taste the flavors of my homeland!
