ONE MILLION CUPS OF COFFEE

1 Million Cups (1MC) is a simple way to engage entrepreneurs in communities around the world. Each week, the 1MC program offers two local entrepreneurs an opportunity to present their startups to a diverse audience of mentors, advisors, and entrepreneurs. Presenters prepare a 6 minute educational presentation and engage in 20 minutes of feedback and questioning after they present. Entrepreneurs gain insight into possible ways they can improve their businesses, gather realtime feedback, connect with a community that truly cares about their progress, and walk away feeling like they have advanced their business. The Delaware program takes place every Wednesday morning from 9:00-10:00am at Delaware Tech Owens Campus, Georgetown. See more at: <http://www.1millioncups.com/about.aspx#sthash.ndLYfkaq.dpuf>.
