Highlights of the Program:

- Small, medium and large Chamber business members can expect to save between 10% and 20% off their bill.
- The program is open to any Chamber business member
- Residential rate customers are **not eligible** to participate in the buying pool, and businesses that receive their electricity from the City of Lewes or DE Electric Co-Op are not eligible to participate.
- The deadline for signing up is Friday, **February 15, 2013**.
