### **CAPE WATER TAXI EXCLUSIVE - OSPREY BANDING CRUISES**

On **June 25, 27, 29 and July 2**, Cape Water Taxi and Tours Eco Tours will feature a rare opportunity. Captain Steve Cardano will take passengers to osprey nesting platforms where he will place identification tags on the osprey fledglings before they begin to fly. This practice does not hurt the birds and is done specifically to gather information about the birds, such as migration patterns, life span and behaviors. These opportunities are few, as the optimal time to band these magnificent birds is when they are 7-8 weeks old. Reservations are recommended for all cruises and can be made at [www.capewatertaxi.com](http://www.capewatertaxi.com) or by calling 302-644-7334. Tickets will also be sold at the dock.
